

Veterans Priority of Service

Effective: December 1, 2016

Background:

TA 12-12.4; WIOA Sec. 3(53); WIOA 680.650; TEGL 10-09

Policy:

Veterans or eligible spouses are given priority over non-covered persons for the receipt of employment, training, and placement services provided under a qualified job training program. Priority means that veterans and eligible spouses are entitled to precedence over non-covered persons for services. This means that a veteran or an eligible spouse either receives access to a service earlier in time than a non-covered person, or if resources are limited, the veteran or eligible spouse receives access to the service instead of, or before the non-covered person.
