

# Youth Incentive Policy

**Effective:** July 1, 2016

**Revised:** November 17, 2021; July 1, 2022

**Purpose:** To establish a policy and procedure for issuing WIOA/FFFS Youth Incentive cards.

**Reference:** WIOA Act of 2014; FFFS Plan

**Requirements:**

- A. Must be enrolled and active in WIOA Youth services or exited from WIOA Youth program within the past 12 months, or a current FFFS eligible youth.
- B. Must have completed a WIOA/FFFS Youth Incentive Award Program Survey. A copy will be provided to youth. As eligibility for FFFS/TANF 200% program is valid for 1 year, the document must be signed and dated within that 1-year time frame.
- C. Must be part of youth’s Individual Service Strategy/Employment Plan.
- D. Must submit documentation for each activity or achievement for verification. Acceptable submissions include paystubs, documentation of credentials or case notes, and information from a youth’s folder, as a substitute for said documentation.
- E. Based on submission of documentation for activity of achievement, youth may choose either a Walmart or Amazon gift card, issued in the assigned increments of \$25, \$50, or \$75.
- F. No more than \$500 in Walmart or Amazon gift cards can be earned in a 1-year cycle. The breakdown of gift card distribution is determined by the activity/achievement met by the youth. The 1-year cycle is based on WIOA program year if youth is a WIOA youth and FFFS program year if youth is FFFS eligible.
- G. Gift card(s) will be issued as long as funds are available.
